## HOW IT WORKS

Upon signing up, you'll receive a unique referral link to share across your website, social media, or other platforms. When someone clicks your link, a cookie is stored in their browser for upto 90 days, ensuring you get credit for their visit. Once they place an order and complete payment, your commission is instantly credited to your affiliate account.

# Our Affiliate Model

Commission Rate

30%

Ratio 3:7

You get to keep 30% of all revenues earned from your referalls

We use cookies to track your referalls who click your unique link. The cookie life is 90 days. Once they make any purchase from us within the 90 days, the commission is automatically credited to your account. You can also view the live statistics of how your link is performing through our client area.
